

SOME REASONS

Why the DIXIE QUEEN Plow is Better and Cheaper than any other Combination Plow on the Market:

First, it is made to suit this section; it is made of MALEABLE IRON and will last a life time. No other Plow offered for sale in Live Oak has so many advantages.

We are now giving with each Plow Three Sizes of Middle Burster or Opening Plows, one Complete Subsoiler and one Complete Set of Large Dixie Castings (Chilled) or a Small Set if preferred. In addition to this, at a small additional cost, we can furnish Six Sizes of Sweeps and one Smaller Size DIXIE Mouldboard or Wing.

Remember, all of this works on the same standard; in other words, you have about Twelve Different Plows combined in one; something that no other firm in Florida can offer. As stated above, the Standard and Ratchet of the DIXIE QUEEN Plows are made of High-grade Maleable Iron. How often have you gone out to work and had to quit after a few hours on account of breaking the Foot or Standard to your DIXIE or other make of plow. The loss of the time alone would pay for a DIXIE QUEEN.

We control a patent on the piece shown to the left. This simple little piece of Maleable Iron tells the story of the DIXIE QUEEN Plow. You can see for yourself how simple and easy it is to change the Plow from a Right Hand Turn Plow to a Middle Burster or Opening Plow, or by taking this off, changing back to a Right Hand Turn Plow.

No Combination Plow can ever be a success without this feature. Why? For the simple reason that they cannot be made strong enough to stand rough use.

There are dozens of good reasons why you should investigate the DIXIE QUEEN Plow before you invest in a so-called Combination Plow, but one of the best reasons is the fact that either the Old Style DIXIE Castings or the New Style Chilled Castings will fit the DIXIE QUEEN. As you know, you can buy these from any country store. This is important because you can always depend on getting parts from your nearest small town or country store without making a trip to town.

The above cut shows the DIXIE QUEEN as a Middle Burster or Opening Plow. It also shows some of the parts you get with the DIXIE QUEEN.

There is another important feature that we want to call your attention to, and that is the Ratchet Device on the end of beam.

The rear end of beam is fitted with a Maleable Ratchet with five lateral notches; also a "V" cuff that is bolted on rear end of beam. This cuff has a rib that will register with lateral notches on rear end of plow standard. By this method you can regulate to any depth desired.

We want you to come in and let us show you the Plow and if you are not satisfied with what we tell you, we will take you out to some farmer's field near Live Oak and let you see the Plow work for yourself.

Price, Complete, \$6.50

THAT OLD QUESTION

Mr. Bryan Continues to Give to It the Same Answer.

Denver, Col., Feb. 20.—"Everybody who knows anything or who has any sense at all, knows how I stand in the matter of being a candidate for the presidency for the fourth time," said William J. Bryan today, when asked if he would again be a candidate.

"I have made myself clear on this subject time and again," he continued, "and if the people have not sense enough to understand it, why what's the use of explaining it over again?"

"I am not an out-and-out candidate, but if the people of this country and my own party should demand that I make the race again, standing for my well-known principles and ideas, why, I do not very well see how I could refuse."

"Still four years is a long time, and

meanwhile I have other important work to do."

Call for City Primary Election.

Notice is hereby given that there will be a Primary Election held in the city of Live Oak, for the purpose of nominating the following officers:

One Mayor, one Clerk, Treasurer and Assessor, one Collector, one Marshal, one Alderman for ward No. 1, one Alderman for ward No. 2, one Alderman for ward No. 5, one Alderman at large.

Candidates to be assessed to defray expenses of election as follows: Candidate for Mayor, \$3.00; for Clerk and Treasurer, \$10.00; for Collector, \$5.00; for Marshal, \$10.00; for Alderman, \$1.

First primary, called for Tuesday March 30th. Second primary, if necessary, April 6th. Polls to be open at 8 a. m., and close at 6 p. m. Polling places to be at court house and city hall. The following inspectors are appointed for No. 1: J. L. White, Thos. Meeks, G. W. Townsend; J. T. Carroll, clerk. For No. 2, T. J. Lyle, G. B. Lord, L. H. Cone; C. T. McDaniel, clerk. Election to be held under provision of ordinance of city of Live Oak, governing same.

S. B. CONNER,
Chairman Ex. Com.

Col. C. A. Hardee and Mr. George Lyons have been "rusticating" this week on their farm a few miles north of town. They had intended putting in the entire week camping on the bank of a beautiful lake full of fine fish, and where their fields nearby furnish fine bird shooting, but for some reason they have been seen in town several times. However, they give glowing accounts the many fine trout caught and the large number of birds killed. If they are not having a mighty good time, they have a number of their town friends badly fooled.

Hamlet

had melancholy, probably caused by an inactive liver. A bad liver makes one cross and irritable, causes mental and physical depression and may result disastrously. Ballard's Herbine is acknowledged to be the perfect liver regulator. If you're blue and out of sorts get a bottle today. A positive cure for bilious headache, constipation, chills and fever and all liver complaints. Sold by Suwannee Drug Co.
